RECOGNITION OF COURSE COMPLETION

Dear ASHISH PAUL
Regn. No. R131129300268

Congratulations on your decision to explore the exciting career opportunities in the IT infrastructure Management domain by undergoing "**Certificate Course in PC TECHNICIAN**" from NIIT. I assure you that this is the right time for you to enter this industry, which is reporting a tremendous growth and promises to offer much more in the near future.

NIIT is CompTIA's trusted partner and uses the authorized CAQC (CompTIA Authorized Quality Curriculum) to deliver the training.

Now that you have completed your NIIT course, it is time for you to prove to the world (and potential employers) that the knowledge you have acquired through the duration of the course is complete and valid.

One of the proven methods to do this would be to take the CompTIA A+ exams and achieve your CompTIA A+ Certification.

CompTIA A+ certification* is a credential achieved through a standard computer-based testing process, to validate knowledge within a specific IT job function. Almost all large IT companies in hardware and networking sphere, recognizes the CompTIA A+ exam, and the testing process used is the same all over the world.

You may contact your local NIIT office to get more information on how to register for the CompTIA A+ Certification exam.

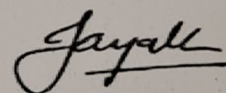

For further details on CompTIA A+, please visit <http://certification.comptia.org/a/>

Wishing you all the success in your life.

Thanks,

Bala Swaminathan
Director, Education and Training, CompTIA

Member of Academic Council
NIIT Ltd.

* Some of the major benefits of CompTIA A+ certification are as follows:

- You will achieve a solid credential that makes you more marketable, leading to better job opportunities
- You will stand apart in a recruitment process, in comparison to others who are not certified
- You will get credibility and respect in your workplace
- You will have a validation of achievement in an industry-valued skill
- You will have a viable career path, leading to higher-level positions
- You will gain international credibility as the CompTIA A+ exam is valid across all geographical borders
